Hi Ehud,

1. I got a call from the Falic Family. Apparently they funded archeological diggings in Shilo, where Beit Ha'Mikdash used to be. They are celebrating the event on Tuesday the 23rd at 6PM and asked me to invite you. I told them I will be on my way to Kirgistan and cannot attend but I will pass on the invitation to you. Please let me know if you wish to attend.

2. The agreement with Parasight is getting to closure. Let's set up the time – preferably Monday morning, to sign the agreement and for other updates, following my meetings in the upcoming days, before my trip.

3. I understand you are coming Monday evening to see Anat.

Best regards,
Doron
